- **GPS GARMIN EDGE 520 + ROUTES ZONE:** we have all the routes of the XC Mountain Bike, Racing Bike, ENDURO BIKE or DH in the cable car stored in our GARMIN EDGE 520 starting from the store. In our facilities we can teach the complete mapping with more than 30 different routes, both road and mountain bike, more information in the RUTA tab, or write to our e-mail [info@wild-bikes.com](mailto:info@wild-bikes.com).
- **Cable Car / BIKE SHUTTLE (Ascent Monte Calamorro):** we have 3 minutes from our facilities a cable car where you can climb the bicycles, you go back from the center of Arroyo de la Miel to the top of Mount Calamorro with a positive slope of ski lift of 700 m +. Mount Calamorro is full of paths for the practice in particular the discipline of ENDURO or DESCENT with vertiginous descents by rocky areas, loose or by incredible trails in forest area with caves, natural jumps or trialeras. With a minimum time of descent of 6 minutes, until descent of enduro of 20 minutes of action trepidante. All with the company of good weather, unbeatable views of the sea and the Costa del Sol. With our additional guide service will accompany you in the gondola lift and will show you the best routes, descent, viewpoints and areas of interest as well as secret trails of little step as an authentic native Rider of the area.
- **WEAR WILD BIKES SHOP XC Mountain Bike / Racing Bike or ENDURO / DH:** short summer shorts set + malliot summer. Original design and created by store, manufactured by the FasterWear factory. High performance bib with poron band, and malliot constructed with different fabrics for a perfect fit. ENDURO / DH jersey with technical fabric and unique design created by Wild Bikes shop.

# **GUIDE + ROUTE**

We are specialists in disciplines of ENDURO Mountain bike and Descent with high knowledge of the area and surroundings. We also help to conserve and maintain the circuits for a good use of them. We have guides who speak perfectly English for your cycling holidays for ALL LEVELS and PUBLIC. From a tapas route visiting the most touristic sites of the Benalmádena coast or the deepest, most obscure ENDURO descent, full of rocks, roots, jumps, ending on the beach for a good swim or enjoy a typical beach bar Malagueña Our guide will accompany you on routes chosen by you that we have, (many of them not marked in apps) or scheduled routes in the packs that we offer. The Wild Bikes shop team will be the main one in charge of accompanying you at all times, guaranteeing transportation, mechanical assistance during the route and the guide service.

The guide prices will be the same for an activity tourist route in the city, road bicycle route, MTB mountain bike route, ENDURO bicycle route. For guide-only service without a bicycle, remember that it is essential to have accident insurance with full coverage in Spain. **Then we leave some PACK SPECIAL GUIDES, we have more guide service from one person, complete information write to [info@wild-bikes.com](mailto:info@wild-bikes.com)**

## **ROUTES**

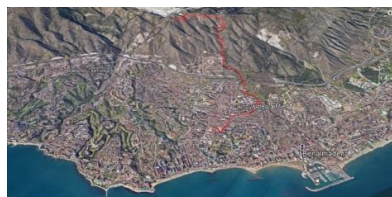

We are specialists especially in Mountain Bike but both if you come to rent only a bicycle, or if you require a GUIDE or GPS we have a wide information on all routes ENDURO, DESCENT, MTB and ROAD of the area. In addition to enclaves in the area of Andalusia as the Montes de Málaga, Tarifa, El chorro, Ojén, Granada and more .... We leave you 3 routes MTB, ROAD and ENDURO as an example of the potential of the area where our facilities are located. We also have a gondola lift in the area, with a variety of trails for all levels, the vast majority not marked, or marked in apps, so we recommend the company of a guide for a unique BIKE PARK experience. We also help to preserve the status of them as far as possible, for the proper use of them and a unique experience on the Costa del Sol. On our Youtube channel we have videos of many of the outputs we have made, in different areas of Andalusia that we offer.

## **ZONE INFORMATION Benalmádena – Costa del Sol**

We are located in the center of Benalmádena on the Costa del Sol Malagueña, where the sun always shines, you will find typical picturesque corners of the region, beautiful beaches, and excellent gastronomy on the beach. And incredible mountain areas. An area that is characterized by good weather all year round, outside of large cities with a lot of recreational and entertainment areas. The good weather and the large amount of mountainous area that surrounds us makes it a great area for mountain biking and Road bike.

They will take you to typical villages with the same of the area of Benalmádena Beautiful village of Andalusian village after climbing through mountain passes with unforgettable landscapes or rolling by coastal roads at the foot of the beach. Routes XC Mountain bike climbing the highest ports of the Mijas area, with the bottom coast for all levels. And 3 minutes from our store facilities we have a gondola lift where bicycles can go up. That rises from the center of the Arroyo de la Miel - Benalmádena to the top of Monte del Calamorro a positive height difference of 700m +. Full of path for the practice in particular of the disciplines of ENDURO, DESCENSIVE or MTB with vertiginous descents by rocky areas, loose or by incredible trails in zone of forests with superelevations, natural jumps or trialeras with a minimum of time of descent of about 6 minutes, until enduro descents of 20 minutes of fast action. All with the company of good weather, views of the sea and the Costa del Sol. With our additional guide service will accompany you on road routes, MTB, eBike or cable car and will teach you the best routes, descent, secret trails or typical corners . The area where our facilities are located you will find many services such as the train for example to move to Malaga or Fuengirola, a central area for tapas or food, entertainment areas such as Tivoli or Selwo Marina, supermarkets, shops, gyms or parties in Puerto Marine. Undoubtedly, the good situation in which we find ourselves is one of the reasons why in our store you can always find a point of attention to go to, for an unforgettable vacation when you are ready to discover new paths and routes on which to put your senses to the test again.

**We have information on HOTELS where to stay in the area. When the service is contracted we also have more detailed information about what to do in the area of Benalmadena and surroundings that we will put at your disposal.**
